I'll assume Julie is answering the creative questions regarding the creative wording...

Julie, the LVCVA will do a $25,000 sponsorship. If you want to send me an invoice I can get that going. We may need a few additional seats but I will let you know.

thanks,
Cathy

Subject: Dinner question

I need some creative help on the wording for the invitation. Can you help?
I also want to conform that we will have the party from 6-midnight or do we want 7-midnight. There will be no cocktail party correct?
Also advice on what to put down for attire.
If you can get back to me by Thursday on this that would be great so we have plenty of time to have the invitations designed and printed and mailed in late Feb- early March.

Thank you in advance,
