Subject: RE: Question

That is a tricky answer. The money raised goes towards National Jewish. We do take care of Nevada residents and we do have subsidized care for Nevada residents. We don't have it all stay in Nevada as this will not give the biggest bang for the buck. W do a lot of research and that is where a lot of the money goes.

Subject: Question

Someone is asking if the money that is raised for this event stays in Nevada or Colorado?
