Subject: Re: oversight panel for school facilities

Hi Karen:

Per the previous message, no audio or video of the 2007 or 2008 meetings. It is unknown if any of the previous year's meetings were recorded as any materials for them are not readily available.

Also, Finance does not maintain a mailing list for the agendas for this meeting. Agendas are posted at the following locations:

Boulder City Library
Moapa Valley High School
James Gibson Library
Moapa Valley Library
Indian Springs Library
Mount Charleston Library
Laughlin Library
Sandy Valley Middle School
Mesquite Library
Sandy Valley Library
Moapa Town Library
West Charleston Library
North Las Vegas Library
West Las Vegas Library
Edward A. Greer Education Center
Whitney Library
Clark County School District Administrative Center

At this time, there are no plans for the panel to meet in 2009.

David,

Thank you for the 2007 documents. I will put together a request for the other years.

I want to be clear on the audio recording. I understand you as saying neither the 2007 nor the 2008 panel meetings were audio taped or videotaped. Do you know if that practice was used in prior years? There has not been a meeting in 2009.

Additionally, could you ensure that my name is put on the mailing list for the panel committee's agenda notices. I have been on the agenda mailing list through the board office for several years now and have never received notice of this committee. Perhaps the request must be made through another department.

Thank you for your time on this request.

Karen
